Baptismal Reference Number. Names of baptized persons should be entered chronologically, and the number entered in this column opposite the name.

Full Name. The full name of each individual who receives baptism should be recorded by family name and Christian name.

Preparatory Member? If the baptized person is enrolled as a preparatory member, write "Yes" in this column and enter the information in the *Record of Preparatory Membership* section. If not, write "No."

Place of Birth. The city or county and state should be given as the place of birth, not the name of the hospital.
